The Targus® 15–16” Mobile Elite Checkpoint-Friendly Backpack is designed with the traveling professional in mind, offering ample space to store your accessories and workspace essentials. With its patented checkpoint-friendly design, it unzips flat so your device remains secure in the bag for TSA screenings at the airport. The main laptop compartment features the SafePort® Sling Protection System, specifically engineered to safeguard your laptop in case of accidental drops. Its ergonomic shoulder straps and padded, mesh back make for an ultra-comfortable carry, while its handle on the top make it easy to grab-and-go your pack while you head to the gate.
